Purpose: The purpose of this policy was to set forth the certification requirements for a Critical Access Behavioral Health Agency (CABHA), as described in the North Carolina State Plan for Medical Assistance, and to specify the procedures for CABHA providers to appeal decisions of the Department of Health and Human Services (DHHS) to deny, suspend or terminate CABHA certification.

This policy is rescinded as it has been superseded by temporary rules which became effective December 28, 2010. The requirements previously set forth as policy have been codified by rules found in Title 10A, *Health and Human Services*, Chapter 22, *Medical Assistance Eligibility*, Subchapter P of the North Carolina Administrative Code. The rules may be accessed via the North Carolina Office of Administrative Hearings website: <http://www.oah.state.nc.us>.
